LIMITED LICENSE AGREEMENT for the use of the software game CRYSIS 2 ("CRYSIS")

1. Subject of the Agreement

This limited license agreement for the use of the computer game CRYSIS (this "Agreement") is entered into between Crytek GmbH ("CRYTEK") and you, the end-user (the "Licensee" or "You").
The Agreement is made effective beginning on the date on which you, the Licensee, first download, install, load or otherwise use CRYSIS.

By downloading, installing, loading or otherwise using CRYSIS you, the Licensee, agree to all terms and conditions of this Agreement or in the accompanying documentation. You should read this Agreement carefully before downloading, installing, loading or otherwise using CRYSIS. If you do not agree with the terms and conditions set forth in this Agreement you are not authorized to use CRYSIS.

2. Grant of Limited License

Subject to your agreement to, and full compliance with, the terms and provisions of this Agreement, CRYTEK hereby grants to Licensee a limited, personal, non-transferable and non-exclusive right (the "License") during the Term, as defined below, to use CRYSIS in accordance with the instructions provided in the manual or on the packaging of CRYSIS

3. Technical Protection Measures.

This Software uses Solidshield digital rights management technology. This Solidshield technology does not require a separate installation. For more information about Solidshield, visit www.solidshield.com. An Internet connection is required to authenticate the Software and verify your license ("Online Authentication") using the serial code enclosed with the Software. CRYTEK reserves the right to validate your license through subsequent Online Authentications. If CRYTEK determines your license is not valid, you may not be able to use the Software. CRYTEK does not recommend that you attempt to disable Solidshield. If you disable or otherwise tamper with the technical protection measures, the Software may not function properly and you will have materially breached this License.

Each computer must be authorized before you can play the game. Authorization automatically occurs after authentication and license validation by CRYTEK (*i.e.*, Online Authentication), described above. The first end user of this License may authorize up to five machines on which s/he may play the offline features of this game at any one time. Access to online features and/or services is addressed in Section 1.C, below. When you install the Software on a machine, the machine is automatically authorized (provided you have authorizations available). When you uninstall the Software from a machine, that machine is automatically de-authorized. You may manage your authorizations yourself by following the de-authorization instructions found at http://activate.ea.com/deauthorize. An Internet connection is required for de-authorization. Upon uninstallation of the Software and successful machine deauthorization, the Solidshield technology associated with this Software will be removed from your machine.

4. Intellectual Property Rights

CRYSIS and all copyrights, trademarks, and all other intellectual property rights related thereto are owned by CRYTEK (or its licensors, as applicable) and are protected by German and international copyright law and other applicable law. Licensee shall have no ownership or intellectual property rights in or to CRYSIS, including, without limitation, all copyrights related thereto.

5. Reservation of Rights

CRYTEK (or its licensors, as applicable) expressly reserves all rights not granted in this Agreement. You are not receiving any right or license hereunder to copy, distribute, publicly perform, display or make any other use of the CRYSIS, or any element thereof, or the trademarks CRYTEK, CRYSIS, CRYENGINE, FARCRY or any other trademark of CRYTEK or any other company.

6. Software Use Restrictions

Any use by Licensee of CRYSIS not expressly permitted in Section 2 above is expressly prohibited and any such unauthorized use shall constitute a material breach of this Agreement by Licensee.

This prohibition includes (but is not limited to):

- to copy, reproduce, manufacture or distribute (free of charge or otherwise) CRYSIS, in whole or in part, in any media;
- to transfer, sell, sublicense or lease any rights in and to CRYSIS to third parties;
- to use CRYSIS contrary to morality or applicable law;
- to modify CRYSIS or create any derived work (except as pursuant to the SANDBOX 2 EDITOR for CRYSIS or MOD SDK for Crysis Agreements)
- decompile, reverse engineer or disassemble CRYSIS.

Licensee shall not alter or remove any legal notices, such as trademark and copyright notices, affixed by CRYTEK on or within CRYSIS.

7. Term and Termination

The term of this Agreement and the license granted herein begin on the date on which you first download, install, load or otherwise use CRYSIS and shall expire, without notice to you or any other notice, when CRYSIS is removed from the market.

Licensor may revoke or terminate this License at any time, for any reason or no reason, in its sole discretion. Notwithstanding anything to the contrary herein this Agreement and the License granted to you herein shall immediately terminate, without the requirement of any notice from CRYTEK to Licensee, upon Licensee's failure to comply with or breach of any term or provision of this Agreement.

Upon the termination or expiration of this Agreement, any and all rights of Licensee hereunder shall terminate without prejudice to any rights or claims Licensee shall have no right to use CRYSIS in any manner. Licensee shall immediately destroy all copies of CRYSIS in its possession, custody or control, and all rights granted hereunder shall revert, without notice, to and be vested in CRYTEK.

Termination or expiration of this Agreement shall not create any liability against CRYTEK and shall not relieve Licensee from any liability which arises prior to termination or expiration.

8. Exclusion and Limitation of Liability

As the License granted to the Licensee under this Agreement is a free-of-charge-license CRYTEK's (and its licensors', as applicable) liability is excluded and limited to the largest extent legally possible.

CRYTEK INDEMNIFICATION DISCLAIMER. IN NO EVENT SHALL CRYTEK (AND/OR ITS LICENSORS, AS APPLICABLE) BE LIABLE FOR ANY DAMAGES, BE THEY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA OR USE, INCURRED BY LICENSEE OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EVEN IF CRYTEK (AND/OR ITS LICENSORS, AS APPLICABLE) HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

9. Disclaimer of Warranties

CRYTEK (and its licensors, as applicable) provides CRYSIS to the Licensee "as is" and without warranty of any kind, express, statutory, implied, or otherwise, including without limitation any warranty of merchantability, fitness for a particular purpose or non-infringement. CRYTEK (and its licensors, as applicable) does not warrant that CRYSIS or the operation thereof will be free of error or that CRYSIS will meet special requirements of the Licensee. No oral or written information or advice given to the Licensee by CRYTEK (and its licensors, as applicable) and/or any CRYTEK employee, representative or distributor will create a warranty for CRYSIS, and the Licensee may not rely on any such information or advice.

10. Support

CRYTEK will not provide any support for CRYSIS. Please do not call or send email to CRYTEK regarding CRYSIS, as Crytek will not be able to respond or answer these inquiries.

11. Licensee's Warranties and Indemnification

Licensee warrants and represents that:

a) Licensee has full legal rights and authority to enter into and become bound by the terms of this Agreement;

b) Licensee has full legal rights and authority to exercise Licensee's rights granted herein and to comply with Licensee's obligations hereunder;

c) Licensee will comply, at all times during the Term, with all applicable laws.

Licensee hereby agrees to indemnify, defend, and hold harmless CRYTEK and/or their successors, assigns, officers, directors, employees, agents, representatives and licensees (but not including Licensee) from and against all damages, claims, losses, causes of action and lawsuits arising from and/or relating to a breach of this Agreement by Licensee.

12. Breach of the Agreement

In the event of a breach of this Agreement by CRYTEK, Licensee's sole remedy shall be to terminate this Agreement by delivering written notice of termination to CRYTEK.

In the event of a breach by Licensee of this Agreement, CRYTEK (and its licensors, as applicable) may pursue all remedies to which CRYTEK is entitled under applicable law and/or this Agreement, including without limitation the compensation for any and all damages which may arise in connection with such breach.

Licensee agrees that Licensee's unauthorized use of CRYSIS, or any part thereof, may immediately and irreparably damage CRYTEK such that CRYTEK could not be adequately compensated by a monetary award, and in such event, and at CRYTEK's option, CRYTEK shall be entitled to an injunctive order, in addition to all other remedies available including a monetary award, to prohibit such unauthorized use, without the necessity of CRYTEK posting bond or other security.

13. General Provisions

This Agreement constitutes the entire understanding between Licensee and CRYTEK regarding the subject matter hereof.

This Agreement does not constitute and shall not be construed as constituting a partnership or joint venture between CRYTEK and Licensee. Neither party hereto shall have any right to obligate or bind the other party in any manner whatsoever, and nothing herein contained shall give, or is intended to give, any rights of any kind to any third persons.

CRYTEK may at any time revise and alter the version of CRYSIS.

This Agreement supersedes all eventual prior agreements and understanding to the subject matter hereof. Any modifications of and supplements to this Agreement must be made in writing. This provision applies also if the prerequisite of writing is ceded.

If any provision of this Agreement shall be found to be invalid or unenforceable for legal or factual reasons the invalidity or unenforceability of such provisions shall not affect the other provisions of this Agreement and all provisions of this Agreement not affected by such invalidity or unenforceability shall remain in full force and effect. The parties hereby agree to attempt to substitute for any invalid or unenforceable provision a valid or enforceable provision which achieves to the greatest extent possible the economic and legal objective of the Agreement. This applies as well in case of an omission or invalidity of the whole Agreement.

This Agreement shall bind and inure to the benefit of CRYTEK, its successors and assigns, and CRYTEK may assign its rights hereunder, in CRYTEK's sole discretion. This Agreement is personal to Licensee, and Licensee shall not sublicense, assign, transfer, convey nor franchise its rights granted hereunder.

Place of performance of this Agreement is Frankfurt a.M. (Germany).

If the Licensee is defendant, CRYTEK might, if admissible, determine as court of jurisdiction the court where the Licensee is resident or the court competent for the corporate domicile of CRYTEK which currently is in Frankfurt a.M. (Germany). If CRYTEK is the defendant the parties expressively agree on the exclusive jurisdiction of the courts of Frankfurt a.M. This Agreement on jurisdiction applies to all claims, be they based on contract, on tort or on any other legal basis, arising under or in connection with this agreement.

The provisions of this Agreement which by their terms or sense are intended to survive shall survive cancellation, expiration or termination of this Agreement.

Crytek's licensors shall be third-party beneficiaries under this Agreement and shall have the express right to enforce its provisions and to enjoy the benefits of its protections.

BY ACCEPTING BELOW, YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT.
