"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. 3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions.

Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each

Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

SIL OPEN FONT LICENSE Version 1.1 - 26 February 2007

PREAMBLE

The goals of the Open Font License (OFL) are to stimulate worldwide development of collaborative font projects, to support the font creation efforts of academic and linguistic communities, and to provide a free and open framework in which fonts may be shared and improved in partnership

with others.

The OFL allows the licensed fonts to be used, studied, modified and redistributed freely as long as they are not sold by themselves. The fonts, including any derivative works, can be bundled, embedded, redistributed and/or sold with any software provided that any reserved names are not used by derivative works. The fonts and derivatives, however, cannot be released under any other type of license. The requirement for fonts to remain under this license does not apply to any document created using the fonts or their derivatives.

DEFINITIONS

"Font Software" refers to the set of files released by the Copyright Holder(s) under this license and clearly marked as such. This may include source files, build scripts and documentation.

"Reserved Font Name" refers to any names specified as such after the copyright statement(s).

"Original Version" refers to the collection of Font Software components as distributed by the Copyright Holder(s).

"Modified Version" refers to any derivative made by adding to, deleting, or substituting -- in part or in whole -- any of the components of the Original Version, by changing formats or by porting the Font Software to a new environment.

"Author" refers to any designer, engineer, programmer, technical writer or other person who contributed to the Font Software.

PERMISSION & CONDITIONS

Permission is hereby granted, free of charge, to any person obtaining a copy of the Font Software, to use, study, copy, merge, embed, modify, redistribute, and sell modified and unmodified copies of the Font Software, subject to the following conditions:

- 1) Neither the Font Software nor any of its individual components, in Original or Modified Versions, may be sold by itself.
- 2) Original or Modified Versions of the Font Software may be bundled, redistributed and/or sold with any software, provided that each copy contains the above copyright notice and this license. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.
- 3) No Modified Version of the Font Software may use the Reserved Font Name(s) unless explicit written permission is granted by the corresponding Copyright Holder. This restriction only applies to the primary font name as presented to the users.
- 4) The name(s) of the Copyright Holder(s) or the Author(s) of the Font Software shall not be used to promote, endorse or advertise any Modified Version, except to acknowledge the contribution(s) of the Copyright Holder(s) and the Author(s) or with their explicit written permission.
- 5) The Font Software, modified or unmodified, in part or in whole, must be distributed entirely under this license, and must not be distributed under any other license. The requirement for fonts to remain under this license does not apply to any document created using the Font Software.

TERMINATION

This license becomes null and void if any of the above conditions are not met.

UBUNTU FONT LICENCE Version 1.0

PREAMBLE

This licence allows the licensed fonts to be used, studied, modified and redistributed freely. The fonts, including any derivative works, can be bundled, embedded, and redistributed provided the terms of this licence are met. The fonts and derivatives, however, cannot be released under any other licence. The requirement for fonts to remain under this licence does not require any document created using the fonts or their derivatives to be published under this licence, as long as the primary purpose of the document is not to be a vehicle for the distribution of the fonts.

DEFINITIONS

"Font Software" refers to the set of files released by the Copyright Holder(s) under this licence and clearly marked as such. This may include source files, build scripts and documentation.

"Original Version" refers to the collection of Font Software components as received under this licence.

"Modified Version" refers to any derivative made by adding to, deleting, or substituting -- in part or in whole -- any of the components of the Original Version, by changing formats or by porting the Font Software to a new environment.

"Copyright Holder(s)" refers to all individuals and companies who have a copyright ownership of the Font Software.

"Substantially Changed" refers to Modified Versions which can be easily identified as dissimilar to the Font Software by users of the Font Software comparing the Original Version with the Modified Version.

To "Propagate" a work means to do anything with it that, without permission, would make you directly or secondarily liable for infringement under applicable copyright law, except executing it on a computer or modifying a private copy. Propagation includes copying, distribution (with or without modification and with or without charging a redistribution fee), making available to the public, and in some countries other activities as well.

PERMISSION & CONDITIONS

This licence does not grant any rights under trademark law and all such rights are reserved.

Permission is hereby granted, free of charge, to any person obtaining a copy of the Font Software, to propagate the Font Software, subject to the below conditions:

1) Each copy of the Font Software must contain the above copyright notice and this licence. These can be included either as stand-alone text files, human-readable headers or in the appropriate machine-readable metadata fields within text or binary files as long as those fields can be easily viewed by the user.

2) The font name complies with the following:

(a) The Original Version must retain its name, unmodified.

(b) Modified Versions which are Substantially Changed must be renamed to avoid use of the name of the Original Version or similar names entirely.

(c) Modified Versions which are not Substantially Changed must be renamed to both (i) retain the name of the Original Version and (ii) add additional naming elements to distinguish the Modified Version from the Original Version. The name of such Modified Versions must be the name of the Original Version, with "derivative X" where X represents the name of the new work, appended to that name.

3) The name(s) of the Copyright Holder(s) and any contributor to the Font Software shall not be used to promote, endorse or advertise any Modified Version, except (i) as required by this licence, (ii) to acknowledge the contribution(s) of the Copyright Holder(s) or (iii) with their explicit written permission.

4) The Font Software, modified or unmodified, in part or in whole, must be distributed entirely under this licence, and must not be distributed under any other licence. The requirement for fonts to remain under this licence does not affect any document created using the Font Software, except any version of the Font Software extracted from a document created using the Font Software may only be distributed under this licence.

TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

(a) You must give any other recipients of the Work or Derivative Works a copy of this License; and

(b) You must cause any modified files to carry prominent notices stating that You changed the files; and

(c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions.

Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights

consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

17. MISCELLANEOUS

This Agreement represents the complete agreement between you and SEGA concerning the Product and supersedes all prior agreements and representations, warranties or understandings between you and SEGA (whether negligently or innocently made but excluding those made fraudulently), regarding the same subject matter.

If any part of the Agreement is determined to be invalid or unenforceable pursuant to applicable law including, but not limited to, the warranty, disclaimers and liability limitations set forth above, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of the Agreement shall continue in effect. Any failure by us to enforce or exercise any provision of the Agreement or related rights shall not constitute a waiver of that right or provision.

SEGA may assign this Agreement, in whole or in part, at any time. Notwithstanding, you may not assign, transfer or sublicense any or all of your rights or obligations under the Agreement without SEGA's express prior written consent.

SEGA's performance of the Agreement is subject to existing laws and legal process, and nothing contained in the Agreement is in derogation of SEGA's right to comply with governmental, court, and law enforcement requests or requirements relating to your use of the Product or information provided to or gathered by SEGA with respect to such use. In addition to any excuse provided by applicable law, we shall be excused from liability for non-delivery or delay in delivery of the Product arising from any event beyond our reasonable control, whether or not foreseeable by either party, including but not limited to, labour disturbance, war, terrorism, fire, denial of service attack, internet outages, accident, adverse weather, inability to secure transportation, governmental act or regulation, and other causes or events beyond our reasonable control, whether or not similar to those which are enumerated above.

Nothing in this Agreement gives or claims to give to any third party any benefit or right to enforce any term of this Agreement, and the provisions of the Contracts (Rights of Third Parties) Act 1999 (as amended or modified from time to time) are expressly excluded.

The parties agree that all correspondence relating to this Agreement shall be written in the English language.

This Agreement shall be construed under laws of England and Wales, and you consent to the exclusive jurisdiction of the English Courts.

MODDING TERMS

SEGA encourages its users to express their creativity and enhance the experience of our games through the creation of modifications (including but not limited to new items, weapons, characters, models, textures, levels, story lines, music and game modes) for use with the Product ("Mod" or "Mods"). In order to protect SEGA, the Product, any third party licensors that have licensed intellectual property to Sega for use in the Product, and users that create Mods, the following terms apply ("Modding Terms"). Please review these rules carefully before you create, share, distribute, use or otherwise exploit any Mods.

Please note that laws in your respective jurisdiction may require that you are of a certain age in order to enter into legally binding arrangements such as the terms of this Modding Terms. In the event that you are under the required age, you may not create any Mods, unless your parent or legal guardian has reviewed and agreed to these terms. The licence we provide to you to create and use Mods with the Product may be revoked if you breach the Modding Terms.

1. OWNERSHIP

You acknowledge that you shall have no ownership or other proprietary interest in the Product and/or any Mods which you create, except as expressly stated herein. Any Mods that you create shall belong to you only insofar as the Mod contains your original creative work. You acknowledge and agree that all right, title and interest in any elements of the Mod which represent, comprise, derive or are based upon any intellectual property rights which subsist in the Product

(including but not limited to any computer code, themes, objects, characters, character names, stories, dialogs, catch phrases, locations, concepts, artwork, images, animation, sounds, musical compositions, audio-visual effects or text), including without limitation copyrights, trademarks and other intellectual properties therein and/or related thereto, whether or not registered or registrable, are owned by, or for the benefit of SEGA and its licensors.

2. LICENCE

Subject to your compliance with the terms and conditions of the EULA and the Modding Terms, SEGA hereby grants you a non-exclusive, non-transferable, limited, fully revocable right and licence to install, access and use the in-game modding tools and any other related tools provided by SEGA ("Modding Tools") solely and exclusively to create Mods for use with the Product and to publish those Mods to the Steam Workshop Modding page for the Product if applicable ("Modding Page"), or as updated from time to time, which is owned and operated by Valve. Please visit Valve's website for more details: <http://store.steampowered.com/> Please note that Valve is a third party platform and this link is provided for your information only. You acknowledge and agree that your use of the Steam platform and the Modding Page is at your own discretion and risk and that you will be solely responsible for any obligations, damages or losses which arise from your registration, access and use of this service.

You agree to use the Modding Tools to create Mods in a manner that is consistent with this Agreement, including an agreement that you shall not sell, rent, lease, licence, distribute or otherwise transfer or exploit the Modding Tools and/or Mods or any copies thereof, for commercial gain or otherwise, except as permitted by this Agreement, which means that you may only publish the Mod to the Modding Page. A breach of the provisions of this licence shall constitute a material breach which has the effect of terminating the EULA (including the Modding Terms) and which may subject you to civil and criminal liability.

In consideration of the above grant of rights, you hereby grant SEGA, its affiliates and its licensors all the necessary consents, clearances and an irrevocable, sub-licensable, worldwide, royalty-free, perpetual licence and right to use, reproduce, modify, adapt, display, distribute or otherwise exploit any Mod which is uploaded to the Modding Page in any way SEGA or its licensors see fit for use with the Product and any other products published by SEGA. You waive and agree never to assert against SEGA or its affiliates, distributors or licensors any moral rights or similar rights, however designated, that you may have in or to any Mods.

3. CONTENT RESTRICTIONS

Any element which you include in your Mod must be your own original work created by you or you must have obtained the necessary permissions to use such materials. You are responsible for the content of any Mods which you create and publish on the Modding Page and shall warrant and represent to SEGA that your Mods do not contain:

1. any materials which are discriminatory, racist, obscene, libelous, offensive, illegal, defamatory, inappropriate, invasive, or likely to adversely affect the reputation or goodwill of SEGA and/or its licensors;
2. any resemblance to any recognisable third party brand, character or personality, including but not limited to any trademark, logos or third party assets except for those assets provided to you by SEGA as necessary for the creation of the Mod for use with the Product;
3. any third party assets, from other games published by SEGA and its affiliates or any other third party;
4. any materials which do not comply with any additional instructions provided to you by SEGA as published on the Modding Page which may be updated by SEGA from time to time;
5. any malicious code, including viruses, spyware, Trojan horses, worms, time bombs, cancelbots, corrupted data, or other content that contains malicious code or in any way damages or interfere with the operation of the Product.

SEGA does not pre-vet or monitor any Mods which are uploaded to the Modding Page and does not monitor, endorse or approve any Mods. You are solely responsible for your Mod and may be held liable for any Mod which you create and upload to the Modding Page. SEGA reserves the right, in its sole and final discretion, to request that Valve remove any

Mods from the Modding Page which violate the content restrictions above. To the maximum extent permitted by applicable law, SEGA does not assume any responsibility or liability for the Mods or for removal of, Mods or any failure to or delay in removing, such Mods.

4. INDEMNIFICATION

You agree to indemnify, defend and hold SEGA and its parent companies, affiliates, licensees, contractors, officers, directors, employees and agents harmless from any damages, losses, cost and expenses (including attorneys' fees) arising directly or indirectly from any acts and omissions associated with the use of any Mod which you create and publish, including but not limited to any allegation that the Mod violates the copyright, trademark, trade secret, privacy or other intellectual property or other rights of any third party, or any other violation by you of the terms of the Modding Terms.

5. OUR LIABILITY

WE PROVIDE THE PRODUCT, THE MODDING TOOLS AND ANY MODS ON AN "AS IS" BASIS AND ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY LAW. YOU ACKNOWLEDGE AND AGREE THAT YOUR EXCLUSIVE REMEDY FOR ANY DISPUTE WITH SEGA IS TO STOP USING THE PRODUCT (INCLUDING BUT NOT LIMITED TO THE MODDING TOOLS AND/OR ANY MODS). IN NO EVENT SHALL SEGA AND ITS LICENSORS BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; LOSS OF USE, DATA, OR PROFITS; OR BUSINESS INTERRUPTION) HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE PRODUCT, THE MODDING TOOLS AND ANY MODS. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR THE LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES AND/OR PERSONAL INJURY, DEATH, FRAUD AND/OR CERTAIN IMPLIED WARRANTIES, IN SUCH STATES OR JURISDICTIONS, THE LIABILITY OF SEGA AND ITS LICENSORS SHALL BE LIMITED TO THE FULLEST EXTENT PERMITTED BY LAW.

6. TERMINATION

We reserve the right to suspend access to, or terminate the licence for, any Mods, Modding Tools and the Modding Page at any time for any reason. If you commit any breach of clauses 2 and 3 of the Modding Terms, the licence to use the Product, the Modding Tools and/or any Mods shall automatically terminate, without notice. Your grant of the licence to SEGA to use any Mods which you create and publish to the Modding Page shall survive termination.

Because SEGA would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that SEGA shall be entitled to take such action as may be required, including seeking an injunction and other equitable remedies, in addition to any other remedies available to it under the applicable law.

7. MISCELLANEOUS

This Agreement represents the complete agreement between you and SEGA concerning Mods, the Modding Tools and the Modding Page and supersedes all prior agreements and representations, warranties or understandings between you and SEGA (whether negligently or innocently made but excluding those made fraudulently), regarding the same subject matter. SEGA reserves the right to amend or modify these terms at any time, in any manner, without any liability to SEGA and at SEGA's sole discretion. Any amendment or modification to these terms shall be made available at <http://www.sega.co.uk/EULA>.
