## TALI'ZORAH

Tali'Zorah, a brilliant quarian machinist, was born in 2161 on the liveship Rayya. Driven from their home system by the geth nearly three centuries ago, most quarians now live aboard the Migrant Fleet, a flotilla of 50,000 vessels ranging in size from passenger shuttles to mobile space stations. She is the daughter of Rael'Zorah, a member of the Admiralty Board, and though young, Tali is a mechanical genius and invaluable member of the crew.
