# COSPLAY GUIDE

## THANE KRIOS

Thane Krios is a drell assassin, said to be the deadliest in the galaxy. He prefers close combat to long-distance sniping, utilizing a mixture of stealth, firearms, hand-to-hand combat, and biotic abilities. But Krios isn't just a killing machine, he's a deeply spiritual man who both prays for the success of each mission and for the souls of those whose lives he's taken.
